I just wanna slow grind
We can dance all night
Whisper in what's on your mind
Get somewhere and spend the night, listen

You put your arms around my waste, ohh
And I'll put my arms around your neck, babe ah yeah
Closer till we feel our bodies meet
Now tell me baby can you feel what I feel
Keep it real boy, it's that body heat, I just wanna slow

I just wanna slow grind
(Slow grind)
We can dance all night
(We can dance all night baby)
Whisper in what's on your mind
(Whisper in what's on your mind, yeah)
Get somewhere and spend the night
(Spend the night, I)

I just wanna slow grind
(I just wanna slow grind)
We can dance all night
(And we can go all night long)
Whisper in what's on your mind
(Whisper in what's on your mind)
Get somewhere and spend the night
(We can get somewhere and spend the night)

I can't believe it's your body I'm holding
Now tell me baby can you feel my pelvis slowly rolling
You get in head up just by looking at me
Now tell me baby can you feel what I feel
Keep it real boy, it's that body heat, I just wanna slow

I just wanna slow grind
(Slow grind, yeah, dance all night)
We can dance all night
(Baby whispering in words in ya)
Whisper in what's on your mind
(On my mind)
Get somewhere and spend the night

(Yeah)

(I just wanna slow)
I just wanna slow grind
(I just wanna slow, oh, oh grind)
We can dance all night
(Baby we can dance all night yeah)
Whisper in what's on your mind
(We'll get somewhere)
Get somewhere and spend the night
(Let's go till ya condo on the north side)

Slowly we turn
(Slowly we turn)
Inch by inch
(Inch by inch)
Step by step
(Step by step)
We getting closer and closer
(Closer till we)

I just wanna slow grind
(Slow grind)
We can dance all night
(We can dance all night)
Whisper in what's on your mind
(You've been whispering what's on your mind, yeah)
Get somewhere and spend the night
(Baby after this let's get somewhere and spend the night, yeah)

I just wanna slow grind
('Cuz I've been watchin' you for a while)
We can dance all night
(Waiting for a slow jam so I can put it down)
Whisper in what's on your mind)
(When your body bring your body!)
(Close to mine close your mind make sweet love)
Get somewhere and spend the night
(Lights off, oh let's slow grind)

I just wanna slow grind
(So run and tell the DJ)
We can dance all night
(To put a nickel on the needle)
Whisper in what's on your mind
(So the record won't bust)
Get somewhere and spend the night

I just wanna slow grind
We can dance all night

Whisper in what's on
