Were the coolest kids and noone seems to care,
we get all of this tell me where are your friends,
everything about me hates everything about you.
for pages of lies and no apology,
you blame it on drunk nights and all that jealousy,
the best reasons ive ever heard,
top marks for trying to be a champion.

verse2

right or wrong, im not sure is being cool worth dying
for.

Whatever happened to bike scene kids,
well count me out your not worth it.
Its Incredible, the amount you try to pull,
what you say when the shots are down.

the best reasons ive ever heard,
top marks for trying to be a champion.

chorus

your words are false and cold,
like the sting of hidden cuts,
if fire was a lie your dead and burning.

bridge

stop for a minute just to look back, is this what you call
your plan of attack.
Is this how you hurt a friend,
is this how you get your own way in the...

chorus

your words are false and cold,
like the sting of hidden cuts,
if fire was a lie your dead and burning
