2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew just how I felt, oh girl I bet your heart would
melt
2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew how much I care, you'd know I will always
be there

I know things haven't always been easy, I know that we
drive each other crazy
I'll be there for you whether rich or poor I hope this lasts
forever and more
I know things haven't always been easy, I know that we
drive each other crazy
I'll be there for you whether rich or poor I hope this lasts
forever and more

2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew just how I felt, oh girl I bet your heart would
melt
2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew how much I care, you'd know I will always
be there

There is no better feeling, than when I hold you in my
arms
You never cease to amaze me, with your natural
charms
Your beauty is so unreal, oh girl you make me feel
Like nothing could ever go wrong, you're the reason I
wrote this song

2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew just how I felt, oh girl I bet your heart would
melt
2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew how much I care, you'd know I would always

be there

My voice echoes inside your ears, then fly's away with
your fears
I believe that dreams do come true, if they didn't, how
could I have you

2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew just how I felt, oh girl I bet your heart would
melt
2 hearts are better than 1, we'll stay together cuz I'm
not done and
If you knew how much I care, you'd know I will always
be there
