Do it to it just jump to the beat
Just jump to the beat
Don't stand their girl you've got to move your feet
Crank up the volume you're in for a treat
Because this is the song that will get you off your seat

Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO
Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO

So now, you know the dance
It seems we've gotten you in our trance
Hey now lets add some moves
Then we can get into the groove

Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO
Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO

Shake that shake that two steps back
You do this dance unless you don't know jack
Shake that shake that two steps back
You do this dance unless you don't know jack

Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO
Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO

LETS DANCE!
LETS DANCE!
ARE YOU READY?
GOOOOO!

Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO
Random dance jump kick
Random dance can't do no flip
Random dance lets skip
From the EEH to the AHH to the GO GO GO GO
