The world ends with you, it's what you make it
If I offered my heart to you, would you take it?
What can I do to show you I care?
The world ends with you, it's what you make it
If I offered my heart to you, would you take it?
What can I do to make you love me?

I don't know what but there's something about her.
Without her love I'm like a fish out of water.
I can't breathe, I can't see, I can't hope, I can't dream...
I can't hide, I can't seek, I can't dance, I can't sing...
I don't know what but there's something about her.
Without her love I'm like a fish out of water.
I can't breathe, I can't see, I can't hope, I can't dream...
I can't hide, I can't seek, I can't dance, I can't sing...

I'll be the best man I can, to earn your love.
I'll do what I can to get a kiss and a hug.

The world ends with you, it's what you make it
If I offered my heart to you, would you take it?
What can I do to show you I care?
The world ends with you, it's what you make it
If I offered my heart to you, would you take it?
What can I do to make you love me?

I'm singing this song lets hope it caught your attention.
I've got a few things I really need to mention.
Every since I first saw you I somehow knew.
The cutest girl of all time is undeniably you.

I don't know what but there's something about her.
Without her love I'm like a fish out of water.
I can't breathe, I can't see, I can't hope, I can't dream...
I can't hide, I can't seek, I can't dance, I can't sing...
I don't know what but there's something about her.
Without her love I'm like a fish out of water.
I can't breathe, I can't see, I can't hope, I can't dream...
I can't hide, I can't seek, I can't dance, I can't sing...

The world ends with you, it's what you make it
If I offered my heart to you, would you take it?

What can I do to show you I care?
The world ends with you, it's what you make it
If I offered my heart to you, would you take it?
What can I do to make you love me?

Today the last day of all this money spending.
Today our lips meet today the world is ending.

The world ends with you, it's what you make it
If I offered my heart to you, would you take it?
What can I do to show you I care?
The world ends with you, it's what you make it
If I offered my heart to you, would you take it?
What can I do to make you love me?
