Nor tona bonenji esso ijo bonenji
shiganun urir momchuge heji

unun mosub kaji nonun gunyon goya

Niga doraon goya nege dashi
argo doraon goni? oh iron!
anursu objanha nor mollada hajima doragayo

Yonghwa sogeso hunhi inun iriji
iron iri ironadani
gurohge baradon gido irwojin goya
usoya harji uroya harji molla

Niga doraon goya nege dashi
argo doraon goni? oh iron!
anursu objanha nor mollada hajima doragayo
(dorawayo)

Jebal kumigir bare nomu himduro
nodo arjanha we dorawa?
nega gagesso gidaryo

Niga doraon goya nege dashi
argo doraon goni? oh iron!
anursu objanha nor mollada hajima doragayo

Niga doraon goya LET THEM FALL
AND YOU BEGIN TO CRY OWN IT ALL
anursu objanha nor mollada hajima YOU CAN MOVE ON
