Got a broken heart again
It must be the millionth time
You're out with all your friends
I'm home alone crying.
You said we'd last forever,
Forever came at noon.
So tonight there's only one thing to do

I'm gonna arty like a rock star, hit a bunch of strip bars
Wake up naked in a hotel room
Throw my TV out the window, smoke a bunch of indo
Anything to get my mind off of you.
Find a telephone pole to wrap around my car,
And party like a rock star.

After all the nights we spent cuddling on the couch
And all the parties I turned down because you didn't
feel like going out
I guarantee you Steve and Tyler didn't put up with crap
like this
But tonight I'm making up for what I missed
Oh yeah

Chorus

Ohh yeah uhh yeah come on uhh huh
And the more I think about it, the less it hurts inside
Cuz tonight I'm wanted dead or alive

Gonna Party like a rock star, hit a bunch of strip malls
Wake up naked in a hotel room
Throw my TV out the window, smoke a bunch of indo
Anything to get my mind off of you.

Chorus

Yea, uh-huh, Party like a rock star
We gonna, we gonna party like a rock star

Everybody say partyyy
Everybody say partyyy like a rock star
Dude looks like a lady! whoo
