If you've had enough, don't put up with his stuff, don't  
you do it  
If you've had your fill, get the check pay the bill, you  
can do it  
Tell him to just get out,  
Nothing left to talk about  
Pack his raincoat show him out

Just look him in the eye and simply shout:  
Enough is enough is enough  
I can't go on, I can't go on no more no  
Enough is enough is enough  
I want him out, I want him out that door now

I always dreamed I'd found the perfect lover,  
But he turned out to be like every other man  
(I've loved) I had no choice from the start  
(I've loved) I've gotta listen to my heart  
(I've loved) Tearing us apart

Enough is enough is enough  
I can't go on, I can't go on no more no  
Enough is enough is enough  
I want him out, I want him out that door now

Goodbye mister,  
goodbye, goodbye mister  
Goodbye sugar

No more tears  
No more tears (No more tears)  
No more tears (No more tears)  
No more tears (No more tears)  
I've had it, you've had it, he's had it, we've had it  
I've had it, you've had it, he's had it, we've had it

Is enough is enough  
Is enough is enough  
Is enough is enough  
Is enough is enough
