DOCTOR'S ORDERS

Carol Douglas

Hello?

Hiya honey

It's me I want to see the doctor today

"Cos ever since you've been gone

I've had a pain deep down inside

He said there's nothing really wrong with me

I'm just missing my man, so honey

Please come on home as soon as you can

Doctor's orders say there's only one thing for me

Nothing he can do 'cos only you can cure me

Says in my condition love's the best physician

He prescribed a potion full of warm emotion every day

A lovin' spoonful to be taken

It's the only way to stop this empty

Heart of mine from breakin

Won't get better till you're back again he told me

Doctor's orders need your loving arms to hold me

Darling now I know there ain't no doubt about it

I'm so hooked on your love I can't live without it

You're away but please don't treat me like a stranger

Doctor's orders say one kiss from you and I am out of
danger

Please say you understand how I feel honey

I know you've got a lot of things on your mind

Oh but I'm missing you so bad

Please oh please come on home

Doctor's orders say there's only one thing for me

Nothing he can do 'cos only you can cure me

Says in my condition love's the best physician

He prescribed a potion full of warm emotion

Won't get better till you're back again he told me
