"Get it up"

First you're born you live your life
And then you're getting old
Get it up

The truth hits me when I seek love
In good old centerfolds
Get it up

Get it up, get it up
Love's just got me growing
Get it up, get it up
Love's just got me going

All those years alone it seems like love
Has passed me by, baby

Memories of lonely evenings
Even make me cry
Get it up

Get it up...

I'll be waiting for good times
I'll be waiting for you
I'll be waiting for my own times
I wanna spend it
Spend it
Spend it
Spend it with you

Get it up...

Apart from love there's nothing else to give
There's nothing more
Get it up

Lonesome people
There are lonely people here for sure
Get it up

Get it up... (repeat)
