Oh yeah
I believe (-hum)
I believe
Oh yeah
Hey
I feel the heat around me
I feel the beat surrounds me
Could this be for real I wonder
No need for hesitation
It's time for celebration
Will this be the night I waited for
When angels fall in love
Heaven knows does it show (-oh)
If this love will last for eternity
Set me on fire
I believe, I believe in love
And like the stars above
They shine, let it shine over me
Set me free
I believe in you and that our love is true
Oh, I believe, I believe
I see that people dancing
Boys and girls romancing
They want this to last forever
Cause underneath the moonlight
Everything is alright
We're reaching our hands up in the air
To where the souls alive
Heaven knows that it shows (-oooh)
If this love will last for eternity
Set me on fire
I believe, I believe in love
And like the stars above
They shine, let it shine over me
Set me free
I believe in you and that our love is true
Oh, I believe, I believe
How could I doubt what was meant to be?
Everything I needed was in front of me
Your healing touch will lift me up
In the sky so high--I believe, I believe,
I believe, I believe

I believe in you
I believe, I believe in love
And like the stars above
They shine, let it shine over me
Set me free
I believe in you and that our love is true
Oh, I believe, I believe
I believe, I believe in love
And like the stars above
The shine on me
Set me free
I believe in you and that our love is true
Oh, I believe, I believe
Oh, I believe, I believe
