Never gonna run away
I'm not gonna hide
I know just what I feel inside
Nothing's gonna make a change
Forever with you
You're always by my side
You're always on my mind

Invincible
One love supreme
Unbreakable
One land of dreams
Two hearts unite
Insatiable
This love tonight
Invincible

Love is like a miracle
Invading your heart
And when it strikes, it hits you hard
And when it's comin' over you
You won't let it go
I'm always on your side
You're always on my mind

Invincible
One love supreme
Unbreakable
One land of dreams
Two hearts unite
Insatiable
This love tonight
Invincible

I'm always on your side
You're always on my mind

Oh Invincible
Unbreakable
One land of dreams, land of dreams
Two hearts unite
Insatiable
This love tonight
Invincible
This love tonight

Invincible
