SOMETIMES LATE AT NIGHT

Carol Bayer Sage

(C.B Sage / B. Bucharach)

Sometimes late at night you say you love
Even if you don't well I guess that it don't matter
Very much it all
Sometimes it don't matter it all

Fairy times you just so far to love me
I don't know who you are
And I wonder till I put you there to watch you fall
Sometimes it don't matter it all

I'll keep on I'll hold on
Even though I don't know how will in
And I could spend this life of mine with you
And I still have more to give you

I'm trying to be with me
Even though I don't know how will in
And I could spend this life of mine with you
And I still have more to give you

Sometimes late at night you say you love
Maybe you still do
And maybe you just sweetness this I can't recall
Did you ever love me at all?

I'll keep on I'll hold on
Even though I don't know how will in
And I could spend this life of mine with you
And I still have more to give you

I'm tryin to be with me
Even though I don't know how will in
And I could spend this life of mine with you
And I still have more to give you

I'm tryin to be with me
Even though I don't know how will in

And I could spend this life of mine with you
And I still have more to give you

I'm tryin' be with me
Even though I don't know how will in
And I could spend this life of mine with you
And I still have more to give you (fade out)
