Step by step moving closer to Jesus  
Step by step to the lord  
Step by step moving closer to him  
Step by step to the lord

Step by step moving closer to Jesus  
Step by step to the lord  
Step by step moving closer to him  
Step by step to the lord

It's a difficult journey  
But we're long long way  
That's why we're working so hard every day  
We've come too far to think about turning around  
Because our souls are heaven bound

Step by step moving closer to Jesus...

There may be tumblin' blocks placed in our way  
But that's the kind of price that we all have got to pay  
We've come too far to think about turning around  
Because our souls are heaven bound

Step by step moving closer to Jesus...

Step by step by step  
Step by step moving closer to Jesus...

Step by step to the Lord

Step by step moving closer to Jesus...

We're movin' closer  
Step by step to the Lord  
Closer every day now

We're moving closer (step by step)  
Every day (step by step...)  
I'm moving closer every day to the lord  
To the lord
