We're caught in a trap, I can't walk out
because I love you too much, baby
Why can't you see, what you're doing to me
when you don't believe a word I say?

We can't go on together, with suspicious minds
and we can't build our dreams, on suspicious minds

So, if an old friend I know, drops by to say hello,
would I still see suspicion in your eyes?
Here we go again, asking where I've been.
You can see these tears are real I'm crying

We can't go on together, with suspicious minds
and we can't build our dreams, on suspicious minds

Oh, let our love survive,
I'll dry the tears from your eyes.
Don't let a good thing die, baby,
when honey, you know I've never ever lied to you

We're caught in a trap, I can't walk out
because I love you too much, baby
Why can't you see, what you're doing to me
because I love you too much, baby
because I love you too much, baby
because I love you too much, baby
