There's talk on the street, it sounds so familiar
Great expectations, everybody's watchin' you
The people you meet, they all seem to know you
And even your old friends treat you like you're
somethin' new

Johnny come lately, the new kid in town
Everybody loves you, so don't let them down

You look in her eyes, the music begins to play
Hopeless romantics, here we go again
But after awhile, you're lookin' the other way
It's those restless hearts that never mend

Johnny come lately, the new kid in town
Will she still love you when you're not around?

There's so many things you should have told her
But night after night, you're willin' to hold her
Just hold her, tears on your shoulder

There's talk on the street, it's there to remind you
It doesn't really matter which side you're on
You're walkin' away and they're talkin' behind you
They will never forget you 'til somebody new comes
along

Where you been lately? There's a new kid in town
Everybody loves him, don't they?
Well, he's holdin' her, you're still around
Oh, my, my

There's a new kid in town
Just another new kid in town, oh, oh
Everybody's talkin' 'bout the new kid in town, ooh, ooh
Everybody's walkin' like the new kid in town

There's a new kid in town
(I don't want to hear it)
There's a new kid in town
(I don't want to hear it)
There's a new kid in town

There's a new kid in town
There's a new kid in town
(Everybody's talkin')
There's a new kid in town
(People start walkin')

There's a new kid in town
There's a new kid in town
There's a new kid in town
There's a new kid in town
There's a new kid in town
