Quando Volveras (spanglish)

Aventura

Submitted By: jose lito peralta

"This song is for you, wherever you are...

Aventura"

I dunno what's going on with my baby

Que ya no me quiere ver

She doesn't want to talk to me

She left an early morning without reason

Sin dejarme un a cartita or a clue where she might be  
at

I don't think that I deserve what you have done

I don't sleep at night

And I don't eat esperando for your love

Cuando volveras, when will you come back

Ay dime mami a donde tu estarÃas

When will you come back, cuando volverÃas

Dime morena ay a donde andarÃas

Tell me why tell me why

Me haces esto mujer

If i always loved you

Ven y vuelve otra vez(2x)

"Let me find out...

Oye que feeling mami"

My heart is in pain and I need your love

Oh please call the doctor

Y que vuelva mi morena

I miss her day and night

Nothing has changed

And the only thing i have is on the wall her pictured  
frame

Cuando volveras, when will you come back

Ay dime mami a donde tu andaras

When will you come back, cuando volveras

Ay dime baby if you're ever coming back

Tell me why tell me why

Me haces esto mujer

If i always loved you

Ven y vuelve otra vez

You are doing this to me

If i always loved you,

Ven y vuelve otra vez.  
"uuuhhh, when are you going to come back boo, you  
know I stay missing you."  
Cuando volverÃs ...  
you know I love you, with all my love  
and now i miss you, with all my heart  
'cause you're my baby, you'r my Herat.."  
Cuando volverÃs (2x)... aaaaahhhh .... ÂiMorena!
