How about a dance with me?
How about a dance?

How about a dance with me?
How about a dance?

How about a dance?
How about a dance with me!

Baila lola, lola's mambo!
Baila lola, lola's mambo!

Don't you care about a dance?

How about a dance?, about a dance?
How about a dance?, about a dance?

How about a dance with me?
How about a dance?

How about a dance with me?
How about a dance?

How about a dance?
How about a dance with me!

Lola, mambo, baila mambo, lola

Si tãº me dices como baila lola
Y yo te digo lola baila sola
Moviendo su carita encantadora
Ay! como baila lola

Y me preguntas, cãºmo baila lola?
Y yo te digo lola baila sola
Moviendo su carita encantadora
Ay! como baila lola!

Si tãº me dices como baila lola!
