"Touch Of My Hand"

Iâ€™m not ashamed of the things that I dream  
I find myself flirting with the verge of obscene  
Into the unknown, I will be bold  
Iâ€™m going to places I can be out of control

And I donâ€™t want to explain tonight  
All the things Iâ€™ve tried to hide  
I shut myself out from the world so I  
Can draw the blinds and Iâ€™ll teach myself to fly

I love myself  
Itâ€™s not a sin  
I canâ€™t control whatâ€™s happeninâ€™

â€™Cause I just discovered  
Imaginationâ€™s taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand

From the small of my back and the arch of my feet  
Lately Iâ€™ve been noticinâ€™ the beautiful me  
Iâ€™m all in my skin and Iâ€™m not gonna wait  
Iâ€™m into myself in the most precious way

And I donâ€™t want to explain tonight  
All the things Iâ€™ve tried to hide  
I shut myself out from the world so I  
Can draw the blinds and Iâ€™ll teach myself to fly

â€™Cause I just discovered  
Imaginationâ€™s taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand

Thereâ€™s a world undifined  
And my body is mine  
I wonâ€™t be left behind  
Iâ€™m already here

Â‘Cause I just discovered  
ImaginationÂ’s taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand

Â‘Cause I just discovered  
ImaginationÂ’s taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand
