Ana Paula se fue
Ana paula ya no esta
and i may not believe
that she stayed for such a time
and right now i am sure
she's happily laughing now
and she saw what it was
our complicated lifes
and somehow inside me
i fell a beautiful peace
even tough many plans
seem completely unfulfilled
many times probably
obviously i'm quite naive
you achived what many
never ever ever will
instantly with yourserf
you implanted it as seed
of your love and your traits
that no one will ever be

oh my darlin life down here is quite firm
months are longer than they used to be
and the silence you left in the wooden house
seems to starren to dissappear
but i have a secret secret weapon
very low budget
highly effective
but i have a very secret weapon
very low budget
highly effective
and that is that i love

Lalalaralaaa
Lalalaralaaa
Lalalalala la-la

alguien ha venido del futuro
y evitado mi embarazo
y solo tengo algo que decir
y es...

si tu eres de los que le cuesta olvidar
mejor evita tu pasado
el limite es la imaginaci3n
