I met you just tonight
But I keep wond'rin' why
It seems I've always known you all my life
I held you only once
But I keep wond'rin' why
It seems I held you forever

CHORUS:
Can it be true?
Could I be wrong?
That somewhere in my past
I fell in love with you
Can it be true?
Could I be wrong?
That somewhere in my past
There was also me and you

I kissed you only once
But I keep wond'rin' why
It seems I kissed your lips so many times
I've known you only now
But I keep wond'rin' why
It seems I've known you forever

CHORUS:
Can it be true?
Could I be wrong?
That somewhere in my past
I fell in love with you
Can it be true?
Could I be wrong?
That somewhere in my past
There was also me and you

I met you just tonight
But I keep wond'rin' why

It seems I've known you all my life
I've loved you only now
But I keep won'drin' why
It seems I love you forever

Somewhere there was you and I
Somewhere
