I'm running after you  
You're watching over me  
With Your arms open wide  
There's a place I can hide  
You are my hearts desire

There is everlasting joy  
Never-ending peace  
You're all I want  
You're all I need  
You are my hearts desire

You are greater than the great  
So much wiser than the wise  
In you, I find my hope  
I find healing

Your love is deeper than the deep  
Lord you're strong when I'm weak  
In you, I confide  
There's a place I can hide  
You are my hearts desire
