I will wait for you Jesus
You're the sun in my horizon
All my hopes in you Jesus
I can see you now arising
There's a wall that stands in front of me
That I know I just can't climb
Like an eagle you will carry me
Just a matter of time

I will wait for you Jesus
You're the sun in my horizon
All my hopes in you Jesus
I can see you now arising

An evil army is all around me
Another wall that's in my way
I believe in the word you promised me
So I will wait another day
I will wait for you Jesus
You're the sun in my horizon
All my hopes in you Jesus
I can see you now arising
