I'm gonna move among you
I'm gonna save among you
If you cast your cares on me
I'll, I'll move

I'm gonna move upon you
I'm gonna rain down on you
If you cast your cares on me
I'll, I'll move

Is there a problem I can't solve?
Any situation that I'm not involved
Is there a thing that bothers thee?
That I can't see

Is there a worry or a care?
Is there a moment I'm not there?
If you cast your cares on me
I'll, I'll move

I'm gonna move among you
I'm gonna save among you
If you cast your cares on me
You'll see me move

I'm gonna move among you
I'm gonna heal among you
If you cast your cares on me
You'll see me move

Is there a problem that I can't bear?
Is there a time that I didn't care?
If in your body you may be sick
Just name one thing that I can't fix

I'm gonna move among you
I'm gonna heal among you
Cast your cares me
I'll, I'll move

Just get out of my way
Let me in today

If you cast your cares on me
(Cast your cares on me)
I'll, I'll move
(I'll move)

Listen to what he's says
Just get out my way
Let me in today
If you cast your cares on me
(Cast your cares on me)
I'll, I'll move
(I'll move)

I need you to
(Cast your cares on me)
Cast your cares on me
(Cast your cares on me)
Cast your cares on me
(Cast you cares on me)
Cast your cares on me
(Oh oh oh oh oh oh oh)

(I'm gonna move among you)
You see I'm here to move
(I'm gonna save among you)
And I'm here to save
I'm here to justify
I'm even here to qualify

(I'm gonna move among you)
I'm here to bring joy to your sorrow
(I'm gonna heal among you)
I'm here to bring hope for your tomorrow
I'm here, I'm here, I'm here
Open up your heart and know that I'm here

I'm gonna move among you
I'm gonna save among you
Cast your cares on me
And I'll, I'll move

I'm moving in your home
Just know that I'm moving
I'm moving in your mind
Just know that I'm moving
I'm moving in your body
Just know that I'm moving
You've been fasting and praying
Just know that I'm moving
I'm your God
And I (Cast your cares on me) hear your every cry

Just know that I'm moving
You see (cast your cares on me) I'm coming in your
house today to move
And I'm coming in your house today to save
I'm (cast your cares on me) coming in to testify
I'm even coming in I'm gonna qualify

I'll wipe the tears from your eyes
I'm movin
I'm bring healing in your body right now
I'm movin
Get out of your flesh today and know that I'm moving ?
Yes I am
Get over in the spirit and see that I'm moving
