In your presence
Oh lord my god
In your presence
That's where I am strong
Seeking your face
Touching your grace
In the cleft of the rock
In your presence oh god
And I wanna grow with the rivers can not overflow me
Where my feet are on the rock

And I just wanna hot
Where the placing fire can not burn me
Where the cleft of the rock

In your presence
That's where I belong
In your presence
Oh lord my god
In your presence
That's where I am strong
Seeking your face
Touching your grace
In the cleft of the rock
In your presence oh god

Hmmm

And I would have hot
Where the flow of evil can not reach me
Where I am covered by your blood
And I just gotta be
Where the screams of darkness can not touch me
In the presence the rise
In your presence
That's where I belong
In your presence
Oh lord my god
In your presence
That's where I belong
Seeking your face

Touching your grace
In the cleft of the rock
Oh jesus
