Verse 1

Have you ever felt the walls closing in
No matter where you turn it seems there's no way
through
You're out of time, out of sight, out of friends
You don't know what to do

Hook

I know a place where you can turn to
Deep in your heart where no one else can go
Footsteps of love are there to guide you
Just follow His voice and you'll know

Chorus 1

(It's Inside of You)
A place where you can hold on
(It's Inside of You)
A place where you will never feel lost
(It's Inside of You)
A love you can depend on
(It's Inside of You)
A love that conquers all
(It's Inside of You)

Verse 2

Embarrassed by mistakes don't wanna show your face
Seems like your past is killing your future
You try to block it out it just won't go away
You don't know what you're here for

Hook

I know a place where you can live free
A place where your past is just a memory
It's there deep within if you would believe
Just follow His voice and you'll know

Chorus 1

Chorus 2

(It's Inside of You)

A place where you can be strong

(It's Inside of You)

A place where they can't steal your joy

(It's Inside of You)

A place where you can call home

(It's Inside of You)

Where no one loves you more

(It's Inside of You)

Bridge

It's a place where you can go when your life seems
broke

Put the pieces back together

Just look inside your heart and then you'll know

His love will always protect you

(It don't matter)

Where you've been, where you're from, what you've
done

(It don't matter)

You can live, you can laugh, you can love

No matter how many wrong turns you've made

Love will help you find a way

Chorus 1 & 2

Add Lib

I'm telling you to hold on

Telling you to be strong

You will never be alone

Cause it's inside of you

Speaking

Everything that you need

Is inside...of you
