A burst of speed is all I need to set me free
A flagging start that stirs the heart to ecstasy

Raging away I'll go far
Time waits for no man
So reach for the stars
I'm fired up

All fired up
Fired up
All fired up

A bolt of light that sears the night of things supreme
To chase the sun, forever on and live the dream

Forcing a system aside
Too fast for this life
My mind's open wide
I'm fired up

All fired up
Fired up
All fired up

I'm soaring, free falling
With all emotions roaring
Like lightning, like thunder
I'll rip the world as under

Let's go, hold on

I'm soaring, free falling
With all emotions roaring
Like lightning, like thunder
I'll rip the world as under

Raging away I'll go far
Time waits for no man
So reach for the stars
I'm fired up

All fired up

Fired up
All fired up
Fired up

All fired up
Fired up
All fired up
All fired up
