There I was completely wastin, out of work and down
All inside it's so frustrating as I drift from town to town
Feel as I nobody cares if I live or die
So I might as well begin to put some action in my life

Ref:

Breaking the law beraking the law

4*

So much more than golden future : I can't even start !
I've had every promise broken there was anger in
my heart !

You don't know what it's like, you don't have a
clue

If you did you find yourselves
doing the same thing too

Ref

You don't know what it's like
