I've been trying, there's no denying  
It's sending me out of my mind  
I've seen reason change to treason  
It's losing it's sense of all kind

How much longer will it take  
For the world to see?  
We should learn to live  
And simply let it be

Bloodstone  
Bloodstone  
Bloodstone  
Bloodstone

In the night time, wake in fright  
I'm so scared of the game that's being played  
Start to wonder what's going under  
And how many deals have been made

How much longer will it take  
For the world to see?  
We should learn to live  
And simply let it be

Bloodstone  
Bloodstone  
Bloodstone  
Bloodstone

Bloodstone  
Bloodstone  
Bloodstone  
Bloodstone

Bloodstone  
Bloodstone  
Bloodstone  
Bloodstone

Bloodstone  
(I can't take it)

Bloodstone  
(You got me living on a)  
Bloodstone  
(I don't want that that)  
Bloodstone
