Memories unfold
Search the past to
Never growing old
Once we had peace
Such peace

Seasons come and go
Every man's a child to someone
Learning as we grow
Love and you'll live
Forgive

Conquest transgress
Purgatory
Lift us onward
Trist in glory

The night of reckoning
The days of old
His might is menacing
Sword and shield made of gold

Conquest and fire
The age of desire
When man will be free once more
Like rays from the sun
That heal everyone
Livin for evermore

Bow down in reverence
Keep faith be true
Give thans for armistice
Be brave he'll come through

Sword and shield of gold
The mighty stand alone

Conquest and fire
The age of desire
When man will be free once more
Like rays from the sun
That heal everyone

Living for evermore

Conquest and fire
We will be strong
Days of desire
Making us stronger

Revenge and reckoning
Beware of this god
His might is menacing
Shield made of gold

Conquest and fire
The age of desire
When man will be free once more
Like rays from the sun
That heal everyone
Living for evermore

Conquest and fire
We will be strong
Days of desire
Making us stronger

Conquest attest
Stands triumphant
Heavne sent - be vigilant
Don't relinquish
