Racing' cross the heavens
Straight into the dawn
Looking like a comet
Slicing through the morn
Scorching the horizon
Blazing the land
Now he's here amongst us
The age of fire's at hand

Stand by for Exciter
Salvation is his task
Stand by for Exciter
Salvation bids to ask

Everything he touches
Fries into a crisp
Let him get close to you
So you're in his trip
First you'll smoke and moulder
Blister up and singe
When ignition hits you
The very soul of your being will cringe

Stand by for Exciter
Salvation is his task
Stand by for Exciter
Here he comes now
Fall to you knees and repent if you please

Who is this man?
Where is he from?
Exciter comes
For everone
You'll never see him
But you will taste the fire upon your tongue

He's come to make you snap out
Of the state that you are in
Looks around and make you
See the light again
So much self-indulgence
Results in shattered eyes

Predominant complacency
Leads to beguiling lies

Stand by for Exciter
Salvation is his task
Stand by for Exciter
Salvation bids to ask

When he leaps amidst us
With combustive dance
All shall bear the branding
Of his thermal lance
Cauterising masses
melting into one
Only when there's order
Will his job be done
Stand by for Exciter
Salvation is his task
Stand by for Exciter
Here he comes now
Fall to your knees and repent if you please

Who is this man?
Where is he from?
Exciter comes
For everone
You'll never see him
But you will taste the fire upon your tongue

Racing' cross the heavens
Straight into the dawn
Looking like a comet
Slicing through the morn
Scorching the horizon
Blazing the land
Now he's here amongst us
The age of fire's at hand
