[Incomprehensible]

Fast and furious
We ride the universe
To carve a road for us
That slices every curve in sight

We accelerate, no time to hesitate
This load will detonate, whoever would contend its
right
Born to lead at breakneck speed
With high octane we're spitting flames

Freewheel burning
Freewheel burning

On we catapult
We're thrusting to the hilt
Unearthing every fault
Go headlong into any dare

We don't accept defeat
We never will retreat
We blaze with scorching heat
Obliterations everywhere

Born to lead at breakneck speed
With high octane we're spitting flames

Freewheel burning
Freewheel burning

[Incomprehensible]

[Incomprehensible]

Freewheel burning, freewheel burning
Freewheel burning, freewheel burning
Freewheel burning, freewheel burning
Freewheel burning, freewheel burning

Something is burning
