## "Future Of Mankind"

Visit "[Future Of Mankind](#)" on MotoLyrics.com

The final quatrain sealed  
This one reveals my fate  
And so my friends' farewell  
I can no longer wait  
My prophecies remain  
They live when I am gone

The wisdom of the wise  
Eternally endure  
My legacy survives  
So you can rest assured  
The secret treasure's here  
Make of them what you will

I see you  
I feel you  
I hear you  
As my life evolves

These visions of the world  
Created in my mind  
I made them all begin  
The future of mankind  
Reveals what must be done  
To manifest through time

I'll cross the Rubicon  
Into infinity  
My quest has now been won  
I've found my destiny  
The darkness brings me home  
Rewarding me with peace

I see you  
I feel you  
I hear you  
As my life evolves

These visions of the world  
Created in my mind  
I made them all begin  
The future of mankind

Reveals what must be done  
To manifest through time

Now everything shall pass  
We all know that it must  
For nothing ever lasts  
We all return to dust  
I beg you not to mourn  
As I will never die

I see you  
I feel you  
I hear you  
As my life dissolves

These visions of the world  
Created in my mind  
I made them all begin  
The future of mankind  
Reveals what must be done  
To manifest through time

Je suis au bout de ma vie  
Ma tashe est finie  
Je passe de ce monde a un autre  
Mes premonitions survivront

Drenez garde a mes paroics  
Dar ce qu'elles adviendront  
Le patrimoine que j'ai laisse  
L'avenir de l'humanite
