Whip crack, stings the sky
Don't mess with me I'm danger
The meanest one alive

Earthquake, breaks the Richter scale
The more that you resist
The more the pain you'll feel

I'm blazing on to glory
There's thunder in my veins
And nothing stands before me
Forever I'll remain

Hard as iron
Sharp as steel
Stop for no man
You better beg and kneel

Untouched, cold as ice
I'll turn your blood to water
Strangle in my vice

Shock waves, bones to dust
You're messing with a mine field
So expect the worst

I'm blazing on to glory
There's thunder in my veins
And nothing stands before me
Forever I'll remain

Hard as iron, sharp as steel
Stop for no man
You better beg and kneel

As I destroy last thing you'll hear me cry
Is victory, is victory

I'm blazing on to glory
There's thunder in my veins
And nothing stands before me
Forever I'll remain

Hard as iron, sharp as steel
Stop for no man
You better beg and kneel

Hard as iron, sharp as steel
Stop for no man
Hard as iron, sharp as steel
Beg and kneel
