When the power chords come crashing down  
Go tearing through my senses  
It's for the strong and for the weak  
In light of dark dimensions

It stimulates regenerates it's therapeutic healing  
It lifts our feet up off the ground and blasts us through  
the ceiling  
Between the eyes I hear you screaming  
And it electrifies your inner feelings

Hot shock waves charge the air all the heads are  
banging  
Fists pumping everywhere guitars are cracking

Heavy metal, heavy metal  
(What do you want?)  
Heavy metal, heavy metal  
(What do you want?)

Ten thousand lights come blazing down with razor  
sharp precision  
The speakers pour out molten steel the beat gives  
double vision  
An amour plated raging beast that's born of steel and  
leather  
It will survive against all odds stampeding on forever

Between the eyes I hear you screaming  
And it electrifies your inner feelings

Hot shock waves charge the air all heads are banging  
Fists pumping everywhere guitars are cracking

Heavy metal, heavy metal  
(What do you want?)  
Heavy metal, heavy metal  
(What do you want?)

Heavy metal, heavy metal  
(What do you want?)

Hot shock waves charge the air all heads are banging  
Fists pumping everywhere guitars are cracking

Heavy metal, heavy metal  
(What do you want?)  
Heavy metal, heavy metal  
(What do you want?)

(We want)  
Heavy metal, heavy metal  
(What do you want?)  
Heavy metal, heavy metal  
(What do you want?)
