I've done my share of workin' out
I wanna go some place where I can scream and shout
Show me the lights where I can find
The only thing I need to give me peace of mind

I wanna go, I wanna go
I wanna go hot rockin'
I wanna go, I wanna go
I wanna go hot rockin'

Where is the spark that kicks the air?
Where is the energy that charges everywhere?
I see the crowd, I hear the roar
I feel my body's got to leave the ground and soar

I wanna go, I wanna go
I wanna go hot rockin'
I wanna go, I wanna go
I wanna go hot rockin'

I'm goin' out in search of the bright lights
Somehow I feel that tonight is the right night
I'm almost there, I've got the vibration
It's coming strong from this generation

My blood is hot, from now on I'm set free
My blood is hot, so don't try to stop me
'Cause this is it and I'm hot rockin'

Don't let it stop, don't let it end
Please let it carry on and on and on again
I get so high. knocked off my feet, yeah
This is the only way I want, I want, I want

I wanna go, I wanna go
I wanna go hot rockin'
I wanna go, I wanna go
I wanna go hot rockin'

It's all I want, it's all I crave
I just do want to go hot rockin'
