HOT ROCKING

I've done my share of morning out
I wanna go some place where I can scream and shout
Show me the lights, where I can find
The only thing I need to give me peace of mind
I wanna go, I wanna go, I wanna go
Hot Rockin'

I'm doing out in search of the bright lights
Somehow I feel that tonight is the right night
I'm almost there, I've got the vibration
It's coming strong from the generation
My blood is hot, from now on I'm set free
My pulse is hot so don't try to stop me
Cause this is it, and I'm hot rockin'

Don't let it stop
Don't let it end
Please let it carry on and on again

I get so high, knocked off my feet yeah
This is the only way, I want, I want, I want,
I want
I wanna go, I wanna go, I wanna go
Hot Rockin'
It's all I want, it's all I crave
I just want to go Hot Rockin'
