The greatest times  
I've ever known  
They're locked inside of me  
And carved out of stone

I've broken hearts  
Made people sing  
I've drove a million miles  
I've done everything

I'm a rocker  
Do as I feel, as I say  
I'm a rocker  
And no one can take that away

Bring on the nights  
That's when I live  
I come alive inside  
Give all I can take

I live each day  
Like it's my last  
I live for Rock and Roll  
I never look back

I'm a rocker  
And do as I feel as I say  
I'm a rocker  
And no one can take that away

I'm a rocker  
And I'm always revvin' up  
I'm a rocker  
I can never get enough  
I'm a rocker  
It's something in my blood  
I'm a rocker  
Wouldn't change it even if I could

I'm a rocker  
And do as I feel as I say  
I'm a rocker

And no one can take that away
