Now let's see what you're made of
He is coming, you can't run
Violators that get caught
Will wish that they'd never been born

Exterminator
You are dead
Mutilate

Sharpened razor
Takes your head
Jugulator

Predit hater
You are trapped
Decimate

Desecrator
Your neck snapped
Jugulator

Jugulator he is near
Attracted by the stench of fear
Part demonic part machine

Hungry and it's time to feed

Iron claws and fangs of steel
Dripping from his tasty meal
Now it's time to jugulate
Feel your skull disintegrate

Jugulator killing time now
Reaches in and rips your spine out

Violator
Big mistake
Mutilate

Vindicator
Rib cage break

Flesh and bones
Are massacred

Jugulator
Desecrator
Jugulator
