Hero of the nights
Blood and thunder
Rushing through me
Till the dawn of light
The sky is turning red

Like a renegade
All alone I walk through fire
Till I crash and blaze
I'm living on the edge

Start a chain reaction
Sears the neon light
Stealing all the action
Always takes the fight

Leather rebel
Lightning in the dark
Leather rebel
With a burning heart

Master of the streets
Bullet proof and bound for glory
Cities at my feet
I'm turning on the power

Running wild and free
No one dares to stand before me
That's my destiny
To rule the darkest hours

I can see my future
Writings on the wall
Legend in my lifetime
Stories will recall

Leather rebel
Lightning in the dark
Leather rebel
With a burning heart

I can see my future

Writings on the wall
Legend in my lifetime
Stories will recall

Leather rebel
Lightning in the dark
Leather rebel
With a burning heart

Leather rebel
Lightning in the dark
Leather rebel
With a burning heart

Leather rebel
Leather rebel
Leather rebel
Leather rebel
