Grey mist drifts upon the water

The mirrored surface moves

Awakened of this presence
Dispelling legends proof
A beastly head of onyx
With eyes of coals of fire

It's leather hide lies glistening

Ascends the head ???
Whoa whoa whoa(echo)
This legend lives through centuries
Evoking history's memories

Prevailing in eternities_

On and on and on
Lochness Confess_
Your terror of the deep
Lochness distress_
?? lingers what you keep
Lochness protect monstrosity
Lochness confess to me
Somehow it heeds the piper

From battlements that call

From side to side it ponders

In passion in the skull
This islands lair of mystery, mystery

Contains a lost world empathy
Resilient smooth discovery
On and on and on
Lochness Confess_

Your terror of the deep

Lochness distress_

?? lingers what you keep

Loch Ness protect monstrosity

Loch Ness confess to me
This legend lives through centurys
This legend lives through centurys
Evoking histories memories

Evoking histories memories

???? eternity
???? eternity
Your secret lies safe with me

Your secret lies safe with me

Your secret lies save with me

This creatures peril from ??

Is lost to mankind for release

A legecy to rest in peace

On and on and on
Lochness Confess
Your terror of the deep
Lochness distress_
?? lingers what you keep
Lochness protect monstrosity

Lochness confess to me
