(Solo 1)

Something's calling  
In the night  
Electric madness  
Roars in sight

Heat is rising  
Blazing fast  
Hot and evil  
Feel the blast

Out of control  
About to explode  
It's coming at ya

Here comes the Metal Meltdown  
Run for your lives  
Can't stop the Metal Meltdown  
No-one survives

Raging fury  
Wired for sound  
Nitro bombshell  
Shakes the ground

High and mighty  
Rips the air  
Piercing laser  
Burning glare

Out of control  
About to explode  
It's coming at ya

Here comes the Metal Meltdown  
Run for your lives  
Can't stop the Metal Meltdown  
No-one survives

Temperature is boiling  
Magnifying might

Feeding like a virus  
Flashing light

Imminent collision  
Shockwaves all around  
Generating energy  
Screams so loud  
(Screams)

(Solo 2)

It's comin' - Meltdown  
Start runnin' - Countdown

Here comes the Metal Meltdown  
Run for your lives  
Can't stop the Metal Meltdown  
No-one survives

OH!  
Metal Meltdown  
Metal Meltdown  
Metal Meltdown  
Metal Meltdown  
Metal Meltdown  
Metal Meltdown  
Metal Meltdown  
Metal Meltdown  
Metal Meltdown
