It started many years ago, out of the black country
The seed became the embryo, for all on earth to see
Like stealth the word spread mouth to mouth, all
corners
of the land
And soon the thing began to grow, and get right out of
hand
From the concrete jungle
The smoke, the dirt, the grime
Could not contain the hunger
It grew and grew in time, into a
Monster. Monster of rock
They could never bind it
It vowed to reach the top
Monster. Monster of rock
They could never bind it
Impossible to stop
Took the sound across the seas, the people stood in
awe
At last the sound had come to them
That they'd been waiting for
And millions roared, and millions cheered,

This spectacle on stage
And everyone went crazy as it bellowed out in rage
From the concrete jungle
The smoke, the dirt, the grime
Could not contain the hunger
I grew and grew in time, into a
Monster. Monster of rock
They could never bind it
It vowed to reach the top
Monster. Monster of rock
They could never bind it
Impossible to stop
From the concrete jungle
The smoke, the dirt, the grime
Could not contain the hunger
It grew and grew in time, into a
Monster. Monster of rock
They could never bind it
It vowed to reach the top

Monster. Monster of rock
They could never bind it
Impossible to stop
