Judas Priest "Never Satisified"

Where do we go from here There must be something near Changing you, changing me forever

Places changes, faces change Life is so very strange Changing time, changing rhyme together

There's no where else to go
This could be our last show
Changing dreams, changing schemes never

We are never satisfied

Love is gone, along with fun Now we're reaching for the gun Changing cast, changing fast, no more tether

We are never satisfied
