Hope in my heart
As a new day
Has dawned
I see your light
On the wings
Of a dove
Lifting me up
As the dark
Clouds retreat
Courage transcends
And you make me
Complete
Hope in my heart
With the advent
Of spring
I am reborn
With the love
That you bring

Now at last
My dream is real
I found peace
True love can heal
On the journey
Throughout time
A new beginning
Has arrived
At the crossroads
Of my life
This new love
Keeps me alive

I never knew that this
Could happen to me
So many lonely days
And nights
I never knew
That you were
Waiting for me
Hope was out of sight
And suddenly I see
The future clearly

No longer
Living in the past
As I let go

Living the dream
Of my life
I was alone
No-one in sight
This love
Make me believe
That you're the one
Never give up
Our day has come

I never felt that this
Could happen to me
So many lonely days
And lonely nights
I never knew
That you were
Waiting for me
Hope was out of sight
And suddenly I see
The future clearly
Finally I know
At last
I can let go
