Get a grip on the action  
Moving heaven and earth  
Gotta get a reaction  
Push for all that you're worth

No denying  
We're going against the grain  
So defiant  
But they'll never put us down

Rock hard ride free  
All day, all night  
Rock hard ride free  
All your life

Tough as steel, stop at nothing  
Look at fate in the face  
Don't take no for an answer  
Grab the lead in the race

No denying  
We're going against the grain  
So defiant  
But they'll never put us down

Rock hard ride free  
All day, all night  
Rock hard ride free  
All your life

Rock hard with a purpose  
Got a mind that won't bend  
Die hard resolution  
That is true to the end

No denying  
We're going against the grain  
Because it's so defiant  
Anybody's [Incomprehensible]

Rock hard ride free  
All day, all night

Rock hard ride free  
All your life

Rock hard ride free  
All day, all night  
Rock hard ride free  
All your life

Rock hard ride free  
All day, all night  
Rock hard ride free  
All your life

Rock hard ride free  
All day, all night
