Along deserted avenues
Steam begins to rise
The figures primed and ready
Prepared for quick surprise
He's watching for a sign
His life is on the line

Sworn to avenge
Condemn to hell
Tempt not the blade
All fear the sentinel

Dogs whine in the alleys
Smoke is on the wind
From deep inside it's empty shell
A cathedral bell begins
Ringing out it's toll
A storm begins to grow

Sworn to avenge
Condemn to hell
Tempt not the blade
All fear the sentinel

Amidst the upturned burned-out cars
The challengers await
And in their fists clutch iron bars
With which to seal his fate

Across his chest is scabbards rest
The rows of throwing knives
Whose razor points in challenged tests
Have finished many lives

Now facing one another
The stand-off eats at time
Then all at once a silence falls
As the bell ceases it's chime

Upon this sign the challengers
With shrieks and cries rush forth
The knives fly out like bullets

Upon their deadly course

Screams of pain and agony
Rent the silent air
Amidst the dying bodies
Blood runs everywhere

The figure stands expressionless
Impassive and alone
Unmoved by this victory
And the seeds of death he's sown

Sworn to avenge
Condemn to hell
Tempt not the blade
All fear the sentinel

Sworn to avenge
Condemn to hell
Tempt not the blade
All fear the sentinel

Sworn to avenge
Condemn to hell
Tempt not the blade
All fear the sentinel

Sworn to avenge
Condemn to hell
Tempt not the blade
All fear the sentinel
