SINNER

(T/H)

See the rider,

Rides in with the storm

And you were right beside him

But never lived a scout yet have been born

Do you, do you hear it, do ya

Hear the thunder

Deafening the devil in his abode

Can you, can you see it, can you

See the mountains darken yonder

Black and running time is running out.

Sacrifice to vice, all die by the hand of the

Sinner!

Sinner!

Sinner!

Sinner!

His steed fury,

Eys of fire and rain abaze

Demandin' vultures stulkin'

Drawn by the smell of warm and pain

He roams the starways

Searching for the caucuses of war

But it is only that his

Very presence

Disrupts the calling to the storm

Curse and damn you, all you fall by the hand of the

Sinner!

Sinner!

Sinner!

Sinner!

Part of the Devil, part of the Devil

OK, have you brain

Part of the Devil, part of the Devil

You better run away

Can't you hear their souls calling out

in their pain

Can't you see their bodies wanting searching

for their light

SOLO (Glenn/K.K.)

Can't you hear their souls weeping

Some chant

Or is it insane
And it's only a rant
The Sinner is near
Sensing the fear
And the beast will start movin' around...
Can't you see their souls calling out
in their pain
Can't you hear their bodies wanting searching
for the light
SOLO (Glenn/both)
...Sinner, Sinner, Sinner, Sinner!
Sinner!
Sinner!
Sinner!
Sacrifice to vice, all die by the hand of the
Curse and damn you, all you fall by the hand of the
Sinner!
