Well you can look to the left or look to the right
But you will live in danger tonight
When the enemy comes and he'll never be heard
He'll blow your mind and not say a word

Blinding lights, flashing colors
Sleepless nights
If the man with the power
Can't keep it under control

Some heads are gonna roll
Some heads are gonna roll
Some heads are gonna roll
Some heads are gonna roll

The power-mad freaks are ruling the earth
Will show how little they think you're worth
With animal lust they'll devour your life
Slice your word to bits like a knife
One last day, burning hell fire
You're blown away
If the man with the power
Can't keep it under control

Some heads are gonna roll
Some heads are gonna roll
Some heads are gonna roll
Some heads are gonna roll

Know what it's like
To be taken for granted
There goes your life
It's so underhanded

If the man with the power
Can't keep it under control

Some heads are gonna roll
Some heads are gonna roll

Heads are gonna roll
Heads are gonna roll
Heads are gonna roll
