Whiskey woman don't you know that you are drivin' me
insane?

The liquor you give stems your will to live and gets
right to my brain

You're tryin' to find your way through life
You're tryin' to get some new direction
Another woman's got her man
She won't get a new connection

Takes another drink or two
Things look better when she's through

Takes another look around, you're not goin' anywhere
You've realized you're gettin' old and no one seems to
care

You're tryin' to find your way again
You're tryin' to get some new
Another woman's got her man
But won't get a new

Takes another drink or two
Things look better when she's through

You been foolin' with some hot guy
I want to know why is it why
Get up, get out you know you really blew it
I've had enough, I've had enough, good God pluck me

Once she was beautiful
Once she was fine
Once she was wonderful
Once she was mine

Change has come over her body
She doesn't see me anymore
Change has come over her body
She doesn't see me anymore

Changes, changes, changes, changes
Victim of changes

No no no no
